

Our Magic Bunk Bed: The Bedtime Adventures of Ally and Arthur (Bedtime Stories from Ally and Arthurs Dreams Book 1)

A BEDTIME AND DREAMING ADVENTURE YOUR KIDS WILL LOVE

Summary This bedtime story is about three little adventurers; siblings Ally and Arthur, and their dog, Hoover. The duo and their dog get more than they bargained for this night when they go to bed. Ally, the oldest of the bunch, has something special in mind for the siblings newest addition, a bunk bed. Ride along with Ally and her crew as she works her magic on the bunk bed, leading the the kids and their dog on a wild adventure full of colorful imagination. Their dreams lead them from one exciting scene to the next, but in the end they realize dreams arent all they are cracked up to be. Read these book with your kids. Let them read it to their own siblings (Dont forget the dog). I promise you, by the end, they will be dreaming right along with Ally and Arthur, and you might even hear them yell, Wahoo! **What Others Are Saying** Our Magic Bunk Bed: The Bedtime Adventures of Ally and Arthur is a widely reviewed childrens bedtime book. Many readers have felt the magic of the book and read it with their children time and time again. Currently, the book has 74 ratings with an average of 4.6 stars. 52 five star ratings! Heres what people are saying: My 10 yr old just read this to his little brother and they both agreed that it was a keeper. They liked the imaginations of the characters. Thanks for giving them another reason to stay up late tonight. Great book! I got this book because it looked like a fun read. I was right! My three-year-old son absolutely loved it. He was laughing and yelling out, WAHOO! with Arthur and Ally. The pictures were awesome. The story was cute. Highly recommend. My boys aged 8-11 really enjoyed this book. We will keep it as a favorite to read as a bedtime story. Fun and fast lil bedtime story. My daughter asks for it by title. This is a great bedtime story! Just got my kids a bunk bed

so when I saw this for free I snatched it. This book is full of imagination and my kids loved it! Adam Zollinger did a great job with this story and the illustrations are captivating as well. Lots of great detail! Excellent illustration, imaginative theme and a story near and dear to my heart as I, too, had bunk beds growing up. The look on the dogs face with its eyes bulging between the slats when the bed took off in flight together with the parents expressions in bed after being wiped out from the long day were priceless! Going immediately into my favorites! My child liked how the bed turned into different modes of transportation in the story. He thought it was funny that the dog was traveling with the kids. -The list of positive feedback could go on and on. Just check out all the reviews on the book if you want to see more. What you will discover is that families around the world have enjoyed this story together. Comment after comment describes older children reading to their younger siblings, and families bonding reading this fun-filled book together at bedtime. Kids think the dog is funny and that the children have awesome dreams. Be careful though, your kids might be begging you for a bunk bed after reading this, or maybe a dog. Sorry. BUY THE BOOK Still wondering is this is the right book for you and your kids? Well, just read the feedback from other families just like yours. Search for the book on the web and see what is being said there. Kids, their moms, and their grandparents all love this bedtime story and the colorful illustrations. The book is available as a kindle version. If you have never tried a kindle book with your kids before, you should. They absolutely love swiping from page to page, and the colorful illustrations really pop on a bright kindle screen. Remember, the book can also be read on any device that can have a kindle app (i.e. ipod, ipad, etc.). This bedtime story is also available in paperback
