

Claire's Cursed Camping Trip (Summer Camp)

With two besties at camp, Claire sometimes feels like she's a third wheel to Nina and Emily. But after Nina and Emily get in a fight, the three decide to split up for their overnight tent camping trip. Without her BFFs by her side, Claire hits a few rough spots. She falls into the rapids while rafting and she can't help but worry about a rumored bear in the area, especially since she knows to sleepwalk. Will Claire's camping concerns bring the trio back together?
