

## Kumbas Courage

Kumbas made a mistake. It wasn't just that he ran away from home because his human boy, Skyler, was ignoring him. It's that he let the family cat, Marmalade, come with him. Now they're in trouble - BIG trouble. The city streets are ruled by Slick, the leader of a dog gang. Slick hates cats and will do whatever it takes to rid the city of them. When Kumba and Marmalade get caught up in a street battle between Slick's gang and a rival cat gang, Kumba has to make a decision. Should he tuck tail and run or stay and fight to make the city safe for all cats and dogs? Kumbas Courage is a story about accepting others despite their differences and standing up for what you believe in, even if it's not the most popular choice. 2013 Hollywood Book Festival Honorable Mention 2011 Royal Palm Literary Awards winner for middle grade fiction.
