

## The Counterfeit Father: A Tony Pandy Mystery

From the outside, 13 year old Tony looks like he has quite the life: A whole estate to himself. A fangirl he flirts with online. A pet monkey. (His third!) Until you notice the wheelchair. Or that he only speaks with his mother by intercom. Or that he doesn't seem to know who his real father is. And now, to save his home from a mysterious trust, Tony will have to ride in a broken-down motorcycle with someone who may not be who he seems, and solve the biggest mystery of all: Who he really is.
