

## A Treatise on the Construction and Use of Milling Machines Made by Brown Sharpe Mfg; Co: Providence, R. I., U. S. A., Manufacturers of Machinery and Tools (Classic Reprint)

Excerpt from A Treatise on the Construction and Use of Milling Machines Made by Brown Sharpe Mfg; Co: Providence, R. I., U. S. A., Manufacturers of Machinery and Tools Our chief object in writing this, book is to assist those who are not familiar with the construction or use of Universal or Plain Milling Machines. We desire to aid in having the machines well understood, properly cared for and profitably operated. Beyond this, we hope we have written somewhat of interest to those well versed in the theory and practice of milling. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
